WHAT IS NY FORWARD?

WHAT

The Village of Heuvelton has been awarded $4.5 million as one of the North Country's recipients of NY Forward funding!

WHY

The program supports revitalization efforts for New York's smaller communities, with a focus on hamlets, villages, and neighborhood-scale commercial centers.

HOW

Selection - Communities submit applications to the Regional Economic Development Councils who recommend two communities for $4.5 million NY Forward awards.

Planning - Selected communities develop a Strategic Investment Plan that includes a vision for the downtown and a catalogue of transformative projects, based on community outreach and input.

Implementation – New York State will select the most transformative projects from the Strategic Investment Plan for NY Forward awards.

PROGRAM GOALS

01 **Create** an active downtown with a strong sense of place that reflects the community's heritage and culture.

02 **Attract** new businesses that create a robust mix of options for residents and visitors, and that provide job opportunities.

03 **Enhance** public spaces for arts and cultural events that serve the existing members of the community and visitors around the region.

04 **Cultivate** a variety of housing opportunities that help build an inclusive and welcoming community.

05 **Grow** local tax revenue.

06 **Provide** amenities that support and enhance downtown living and quality of life for all.

07 **Reduce** greenhouse gas emissions and support investments that are more resilient to climate change impacts.

GET INVOLVED

The NY Forward process is guided by public engagement and community input. We encourage you to get involved!
