July 2026

Sewer & Water Rate Changes: The enclosed billing reflects the new rates in effect for sewer and water.

Fall Brush Collection: The Village crew will be picking up brush, leaves, and yard debris starting **Wednesday, September 30th until Thursday, November 12th.** Please **Do Not** put brush out after Thursday, November 12th. As of that date, once the crew cleans up a street, they will not go back to pick up additional brush or leaves until the spring. Also, please remember this is brush and leaf pick up only. If you mix plastic, lumber, cement blocks, trees, etc. with your leaves and brush, the crew will not sort it or pick it up. Do not pile brush or leaves in the street. This impedes the flow of water and causes our storm drains to become plugged. Please keep your yard debris between the curb and the sidewalk or at the outer edge of your lawn. Please keep limbs no longer than 5 feet in length. If you do not abide by these guidelines, it will not be picked up. If you have any questions, please contact Mr. Spaman at 315-528-2377.

I and I Survey:
Enclosed, you may find another copy of the survey regarding the collection and discharge of water in your home or basement. **If you have received one in this mailing, it is because we have not received your completed survey at the Village Office.** The purpose of the survey is to identify cost cutting measures for the entire Village. It is against the Village Sewer Use Law to discharge water from a floor or roof drain or sump pump into your sewer pipe. Any water that does so, is going to Ogdensburg for treatment and we ALL pay for that unnecessary cost. With the increased amount of rain lately, as well as significant spring run-off, our last two quarterly bills have been in excess of $54,000 EACH!! During dry months, this amount reduces by about half, indicating that the extra cost is coming from people using the sewer system to address water issues in their basements. We would like to help residents find alternate solutions to this costly issue. Please fill out the survey to help cut costs for ALL Village residents.

Trash: Trash pickup is on Monday. We recommend putting it in a container with a lid to avoid animals getting into it. Please have your trash to the curb by 7am. **Black Bags or Untagged trash and recycling will not be picked up!** If the truck has been by your home and your trash was not out for pick up or not tagged, please don't call us to come back and pick it up. Recycling is required by law. Recycling can be mixed in one bin, just put your sticker on an item visible on the top. Please put trash/recycling out weekly. Trash that has been left to accumulate for weeks is a health hazard. We reserve the right to refuse pickup. **Trash and recycling stickers can be purchased at Stewart's, Heuvelton Farm Center, and the Village Office.**

Holiday	Day of Week	Holiday Date	Trash Pickup Date
Labor Day	Monday	9/7/2026	Tuesday, 9/8/2026
Columbus Day	Monday	10/12/2026	Tuesday, 10/13/2026

The Village Office and the DPW will be closed on the Monday's listed above, in observance of the Holiday.

Boat Launch Update:

Good news! We have received the OK from NYS Parks and Recreation that the grant received for our boat launch area can be put into action. This will cover the cost of engineering and repairing our boat launch, adding a handicap accessible fishing pier and kayak launch as well as the addition of a soccer and baseball/softball field at our former wastewater treatment plant, better lighting and walkways, etc. For those of you with boats, please be patient! The project will likely not be completed until the fall of 2027 (engineering, permitting, and construction will take time), but the end result will be worth the wait.

LABOR DAY SCHEDULE OF EVENTS
(ALL EVENTS ARE TENTATIVE AND SUBJECT TO CHANGE)

Friday, September 4th

Dance at AmVets
Block Party Sponsored by State St. Deli
Petting zoo
Kids' games

Saturday, September 5th
